

# A WIDE SELECTION OF SHAPES AND SIZES TO SUIT YOUR NEEDS.

Available in multiple formats, from single-serve pouches to industrial applications, we have you covered for converted pouch and bag solutions.

## YOUR NORTH AMERICAN PARTNER FOR SUSTAINABLE AND SOCIALLY RESPONSIBLE FLEXIBLE PACKAGING SOLUTIONS.

# CONVERTED POUCH HIGHLIGHTS

- Multiple formats available including stand up pouch, three-side seal, bottom seal, flat bottom and side gusset.
- We can easily provide custom features such as various styles of handles, micro and laser perforations, press-to-close zippers, pull-tabs, different types of hanger holes and easy-open.

- Tempo is an approved printer for major North American brands and retailers and GMI certified.

## SUSTAINABLE OPTIONS

HarmonyPack is designed for the circular economy. A range of barrier options available, aligned with the Golden Design Rules and pre-qualified for How2Recycle labelling. PCR options are also available and extruded on-site.

## PRIVATE LABEL EXPERTS

Excellent timeline management and proper protocol facilitation to maximize results for both brand and consumer.
