

SEAL IN FRESHLY PICKED FLAVOR.

Tempo's packaging options for fresh produce lock in taste, aroma, texture and freshness so that your quality stands out.

YOUR NORTH AMERICAN PARTNER FOR SUSTAINABLE AND SOCIALLY RESPONSIBLE FLEXIBLE PACKAGING SOLUTIONS.

PRODUCE PACKAGING HIGHLIGHTS

- TimeFresh is Tempo's science-backed solution to help prolong shelf life and quality.
- Fully customized to meet required tolerances such as high permeability, in a certified food-safe production facility.
- Easily incorporate packaging features like anti-fog or ethylene gas absorption.

PRIVATE LABEL EXPERTS

Excellent timeline management and proper protocol facilitation to maximize results for both brand and consumer.

MEMBERSHIPS & ASSOCIATIONS

Tempo Flexible Packaging is accredited by the Pet Sustainability Coalition. This means that we are a sustainably led and measured business that is driving positive impact for pets, people and the planet.
